Like crypto, memes were born on the internet and have journeyed from the fringes to the mainstream.

About Us

Pariah-INU Token is a meme-based BEP20 coin project on BscScan that is determined to pursue improving animal welfare worldwide. Through the growth of our community.

We advocate and donate to animal rights and rescue, including supporting global animal shelters and rescue organizations. It is our mission to improve the quality of life for both our holders and our furry friends. Come join our growing community today!

ECOSYSTEM

Pariah-INU is an experiment in a decentralized coin meeting spontaneous community building. Pariah-INU is one of first, but many, tokens that allows users to hold billions of them. Launched Nov 1st of 2021, this BEP-20 ONLY token can remain well under a penny and still keep pace with the explosive growth of coins like Dogecoin or SHIB in a small amount of time!

50% of total supply was burned to Vitalik Buterin, the co-founder of Ethereum. 1 trillion token will be burning in every 15 days till the total supply will not come under 1 trillion, remaining tokens are locked on Pancakeswap.
